When students register for classes, they receive a statement of tuition and fees. Tuition and fees for all students are due by the first day of class. Students whose tuition and fees are not paid in full are assessed a 1.5% interest charge to tuition and fee account balances older than 30 days. Interest charges will continue to accrue monthly until all balances are paid in full. Students receiving interest charges will be sent a monthly statement showing items posted to their account. Students with past-due balances are not permitted to enroll for subsequent trimesters.
